

In the Consistory Court of the Diocese of St Albans

Parish of Aldenham

Church of St John the Baptist

Lyndsey de Mestre QC, Chancellor of the Diocese and Official Principal of the Right Reverend Alan by Divine Permission Lord Bishop of St Albans

To

- 1. Mr Ken Haslar – Churchwarden**
- 2. Mr Roy Adcock - Assistant churchwarden**
- 3. The Revd Robert Fletcher - Minister**

A petition presented by you has been submitted to the Registry of this Court together with designs, plans, photographs or other documents, requesting a faculty authorising the works or other proposals specified in the petition.

A public notice was duly displayed giving an opportunity to all persons interested to object and give reasons why a faculty should not be granted

The proceedings were unopposed and did not give rise to a question of law or of doctrine, ritual or ceremonial or relate to proposals that affect the legal rights of any person or body.

This Court now grants a faculty authorising you to carry out the works or other proposals described in the Schedule in accordance with the designs, plans or other documents accompanying the petition and subject to any conditions set out in the Schedule.

The works must be completed within **EIGHTEEN MONTHS** from the date below or such further period as this Court may allow and the certificate of practical completion is to be sent to the Registry within the period allowed.

A copy of this faculty is to be supplied by you to the architect or surveyor and contractors to be employed in respect of the authorised work before any work is commenced.

This faculty is duly authenticated by the seal of this Court.

Dated 22 June 2022

Signature of Deputy Registrar

SCHEDULE

Description of works or proposals

Replacement of obsolete oil fed boiler with gas fired boiler in crypt and addition of external flue. The proposal also involves the provision of a gas main and a water supply to the crypt.

Conditions

In excavating for the gas main along the side of the churchyard path and for the extension of the water supply, those undertaking the work should be alert to the possibility of uncovering buried human remains. Disarticulated bones should be carefully gathered in a plastic bag for re-burial under the supervision of the parish priest. If any articulated bones are found, work must stop, advice must be sought from an experienced archaeological fieldwork contractor and the Diocesan Archaeological Adviser notified.
