

Kyra choir have been together for over 20 years. Originally based in Harrow, the choir began singing in their local church and were very active within the community. Word soon spread and the choir was invited to sing at various events both in the UK and abroad. They also had an annual invitation for many years, to sing at Selfridges during the Christmas period.

Their vibrancy and harmonious vocals invite you to join them as they celebrate the Good news of Jesus Christ.

There is nothing the choir enjoys more than seeing people clapping, dancing and singing along with them.....so enjoy the concert and feel free to join in!
